Harold Kwert

Principal Investigator

The following represents an annual report on Contract Nonr-567(00) "The Diels-Alder Reaction" for the period covering Sept. 1, 1951 through Sept. 1, 1952. The report consists of two sections each of which has been presented for publication in the Journal of the American Chemical Society. One other publication completed on the subject in this period is being prepared for submission and will appear in semi-annual report of the first part of 1953.
