LIST OF TRANSLATIONS ON
METEOROLOGY AND ATMOSPHERIC PHYSICS

PURPOSE: Air Weather Service Pamphlet O-15, Vol. III, "List of Translations on Meteorology and Atmospheric Physics," 2d Supplement, is published for the information of intelligence, scientific, technical, and climatological services activities in AWS units, and of other U.S. military activities concerned. This is a continuation of AWS Bibliography 15, April 1959, and AWS Pamphlet O-15, Vol. II, 30 September 1961.

OPI: AWSSS
DISTRIBUTION: X (see page 50)

INTRODUCTION

The scope and other background information about this pamphlet were given in the introduction to AWS Bibliography 15 and will not be repeated here. This volume contains translations which have come to the attention of Headquarters Air Weather Service since September 1961. The meaning of symbols used and the addresses of the various sources cited are as follows:
