TECHNICAL LIBRARY
CAMP DETRICK, FREDERICK, MARYLAND.
11 May, 1955.

This bibliography contains journal references covering the years 1900 - June 1955. The main sources of references were: Abstracts of the World Medicine; Agricultural Index; Bibliography of Agriculture; Biological Abstracts; Bulletin of Hygiene; Chemical Abstracts; Current List of Medical Literature; Excerpta Medica Sect. IV., V., VI.; Index Catalogue of the Surgeon General's Office; Quarterly Cumulative Index Medicus; Tropical Diseases Bulletin; Veterinary Bulletin.

BIBLIOGRAPHY ON

HISTOPLASMOSIS

I. General.....	1
II. Diagnosis, Detection, & Identification.....	7
III. Clinical Picture: Case Histories.....	10
IV. Culture & Morphology.....	20
V. Isolation of <u>Histoplasma capsulatum</u> from the Soil.....	23
VI. Human Pathology.....	24
VII. Serology.....	34
VIII. Immunology.....	40
IX. Chemotherapy.....	40
X. Animal Pathology.....	44
XI. Animal Sources & Animal Pathogenicity.....	44
XII. Epidemiology	
General Epidemiology.....	50
Laboratory Infection.....	53
Epidemic Countries.....	54
Author Index.....	70

References marked with an asterisk (*) are those which are available for loan in the Camp Detrick Technical Library. This bibliography is being kept up to date by a file of current references which is available in the library.
