INTRODUCTION

This bibliography was prepared by Mr. Robert Shaffer, Senior Reference Librarian, with the cooperation of members of the Department of Psychology and Leadership for use in the instructional program at the United States Air Force Academy.

It represents a portion of the holdings of the Academy Library in the fields of management, leadership and selected related disciplines as indicated in the Table of Contents. No attempt was made to include extensive coverage in the areas of advertising, finance, labor economics, marketing, production management and salesmanship.

For materials published in late 1968 and following, the user is referred to the appropriate subjects in the card catalog of the Library.
