INTRODUCTION

This is a cumulative author index of all authors who have appeared in the bibliographies of Soviet laser developments, numbers 1-12, January 1969 - June 1973. Each entry gives the author's name, initial(s), volume number(s), and page number(s). Thus, the entry, "Abakumov, G. A. 1:39, 40, 123; 4:18" indicates that Abakumov, G. A. appeared on pages 39, 40, and 123 of volume number 1, and on page 18 of volume number 4. An arrow at the bottom of a column indicates that the entry is continued at the top of the next column. In the alphabetizing which was done by computer, diacritical marks appear before letters. Thus, Al'tshuler appears before Alakayeva, and Bonch-Bruyevich appears before Boncharov. The pages of this index are numbered separately for each letter as shown in large-faced characters at the bottom of each page. Thus, page A-4, the last page of the "A's" is followed by page B-1, the first page of the "B's".
