## KISKA ISLAND

The "M" square grid of 1,000 yard squares (green lines) corresponds to the Jan Grid overlaid on Kiska Island, H. O. Miscel. 10,782-1, 2, 3, 4, 5, 6, 7, 8; June, 1943. The heavy green line marks the 10,000 yard squares and the lighter line the 1,000 yard squares. The extra heavy line on charts 42 and 47 is the western limit of the red 50,000 yard square and the eastern limit of the white 50,000 yard square.

DECLASSIFIED

2nd EDITION,  
 JULY 28, 1943

**KISKA ISLAND**  
 SHEET NO. 14

Based on KISKA Map by Corps of Engineers, U. S. Army, Scale: 1 / 25,000, 1943.

# Detail Chart Index

## KISKA ISLAND

The "M" square grid of 1,000 yard squares (green lines) corresponds to the Jan Grid overlaid on Kiska Island, H. O. Miscel. 10,782-1, 2, 3, 4, 5, 6, 7, 8; June, 1943. The heavy green line marks the 10,000 yard squares and the lighter line the 1,000 yard squares. The extra heavy line on charts 42 and 47 is the western limit of the red 50,000 yard square and the eastern limit of the white 50,000 yard square.

### LEGEND
