SECURITY CLASSIFICATION OF THIS PAGE (When Data Entered)

Introduction

This is a cumulative author index of all authors who have appeared in the bibliographies of Soviet laser developments, numbers 19-25, January 1975 - September 1976. Each entry gives the author's name, initial(s), volume number(s), and page number(s). Thus, the entry, "Abakumov, G. A. 19:10, 12; 22:104" indicates that Abakumov, G. A. appears on pages 10 and 12 of volume number 19, and on page 104 of volume number 22. In the alphabetizing which was done by computer, diacritical marks appear before letters. Thus, Al'terkop appears before Alayev and Rom-Krichevskaya appears before Romanenko.
