1. The Guide to Selected Student Research Elements contains a listing of selected papers prepared at the US Army War College by resident students of the classes of 1971 through 1976 and nonresident students through 1976 in fulfillment of the written requirements of the Student Research Program. The Guide is in three parts. Part I lists the students' names in alphabetical order by school years and assigns a code number to each paper. Part II, the subject index, lists under each subject the code number of each paper on that subject. Part III is an alphabetical listing by title.

2. Many of the papers listed are classified and none have been cleared for open publication. Distribution of this document is limited to governmental agencies that may have an official interest in reading the completed texts of the papers. Addressees may obtain loan copies of the papers listed herein by writing to the Director, US Army War College Library, Carlisle Barracks, Pennsylvania 17013. Retention copies may be procured from the Defense Documentation Center when an "AD" number is shown below the title in Part I.
