DEPARTMENT OF DEFENSE

**DISTRIBUTION OF PERSONNEL
BY STATE - BY SELECTED LOCATIONS**

AS OF SEPTEMBER 30, 1979

WASHINGTON HEADQUARTERS SERVICES

Directorate for Information Operations and Reports

THIS REPORT IS UNCLASSIFIED AND
ITS DISTRIBUTION IS UNLIMITED

FOREWORD

This publication is based on data submitted by the Military Departments and Defense Agencies under Department of Defense instructions for reporting of personnel by operating location. Operating location is defined as the locale (geographic location) where military or civilian employees of the Department of Defense are physically located for the performance of duties.

Within states, the major concentrations of personnel are shown by city or installation location. However, in a few locations, the Military Departments report personnel at a parent installation rather than at their operating location. Such variations tend to occur in metropolitan areas where military activities are scattered physically among multiple political jurisdictions or corresponding sub-areas. Personnel on limited TDY on September 30, 1979, may be reported at their assigned location.

Special attention is called to the following:

1. Department of the Army civilians for each state include Corps of Engineers Civil Functions personnel as well as National Guard Technicians.
2. Data for Department of the Navy military personnel includes Marine Corps military personnel. Navy personnel consist of shore-based military personnel only and exclude afloat and temporary shore-based military personnel.
3. Not included in the civilian personnel data are 10,990 special youth employees not subject to statutory limitations (largely "Stay-In-School") most of whom are part-time employees. Of these, 1,065 were located in the Washington Metropolitan Area.

Questions concerning this publication or requests for copies should be referred to the Director, Washington Headquarters Services, Room 3E843, The Pentagon, Washington, D.C. 20301.
