SECURITY CLASSIFICATION OF THIS PAGE (When Data Entered)

NOTE: The DoD Amended Request column includes all Budget Amendments through November 12, 1982. This column has also been revised to include the pay raise supplemental amounts in the respective appropriations instead of in the DoD Contingencies as originally submitted to the Congress. In the cases where Budget Amendments and pay raise changes were included after committee action had already been finalized, actions are shown as disapproved for that committee. This treatment of the change value preserves the committee recommended amount at the correct level as passed by that committee.

NOTE: Authorization totals include MilCon projects authorized for construction only with savings.
