In addition to the data contained herein the HASC, SASC and Authorization Conference took the following actions. The Military Personnel amounts are net of reduction actions and increases for pay raises. The HASC provided pricing of the Mil Pers reduction while SASC did not. Therefore, SASC amounts include DoD pricing of reductions. The Authorization Conference amounts for these items when pricing was not addressed, generally reflect the pricing associated with the largest reductions.

The HASC, SASC, Auth Conf and SAC recommended amounts for the Military Construction Bill do not include projects authorized using savings from prior years or authorized for future appropriations. These projects are marked with a single asterisk before the line item name in the Mil Con and Fam Hsg areas. (See Mil Con Authorization and Appropriation Summaries for amounts by appropriation.)

The SASC recommendations put a ceiling on Revolving and Management Funds (not formally authorized) as follows:
"...no more than \$2,519,188,600 shall be appropriated for the Revolving and Management Funds" for FY 1984.
This ceiling is \$279.8 million below the budget request of \$2,799 billion. The \$279.8 million was included as an appeal item to the Authorization Conference. The Authorization Conference does not include this limitation.

***Section 1025 of the SASC Report states that the total amount authorized should be further reduced by \$100 million for certain intelligence activities. The Authorization Conference does not contain this provision.
