SECURITY CLASSIFICATION OF THIS PAGE (When Data Entered)

FAD 726 NOTES - FY 1987 AUTHORIZATION

- NOTE:** This FAD includes a \$10.0 million addition by the SASC for a new account in the Operation & Maintenance title for Humanitarian Assistance. The HASC added \$9.0 million and the Authorization Conference added \$10.0 million for this new account. In addition to the HASC and Authorization Conference amounts is a \$7.0 million reappropriation in the Operation & Maintenance, Air Force appropriation.
- NOTE:** This FAD includes a \$28.0 million reduction by the SASC for a new account in the "Other" title for Revision to Davis-Bacon. The HASC and the Authorization Conference do not include similar reductions.
- NOTE:** This FAD includes a \$1.0 million addition by the SASC for a new account in the "Military Construction" title for the Base Closure Commission. The HASC and the Authorization Conference do not include similar additions.
- NOTE:** The HASC report reflects *Military Health Care* as a separate account in the Operation & Maintenance title. This was requested in Operation & Maintenance, Defense Agencies in the budget. Although the recommended amount is shown in a new separate account in this FAD for the HASC, the request remains in the O&M, Def. Agency account. Further, the SASC and the Authorization Conference left this account in the O&M, Def. Agency appropriation.
- NOTE:** Not reflected in this FAD are two reductions in the HASC report that are against items that were not in the DoD amount requested for authorization, and that were not identified to specific appropriations:
- | | |
|----------------------------|------------------|
| Allowance for Civilian Pay | \$-176.0 million |
| Other Legislation | \$-102.6 million |
- NOTE:** Military Reserve Strengths were requested in the budget as End Strengths. Totals recommended in the SASC report were Average Strengths while those recommended in the HASC were End Strengths. Therefore, totals for Reserve Forces strengths in this FAD reflect End Strengths for the HASC and Average Strengths for the SASC. The Authorization Conference approved End Strengths.
- NOTE:** Not included in totals in this FAD are Authorization Conference additions for the following:
- | | |
|-------------------------------------|----------------|
| Barry Goldwater Scholarship Program | \$40.0 million |
| Henry M. Jackson Foundation | \$10.0 million |
| Special Defense Acquisition Fund | \$70.0 million |
