INTRODUCTION

This publication is prepared from information submitted annually to Washington Headquarters Services, Directorate for Information Operations and Reports (WHS/DIOR) under Reports Control Symbol DD-COMP(A) 659. Information is reported to WHS/DIOR by the Military Departments and Defense Agencies. These data provide statistics on the number of active duty military and direct hire civilian personnel by operating location in the United States, with operating location defined as the geographic location where personnel are located for the performance of work.

This report is divided into two sections. In each, the information is presented according to Defense component, including the Military Departments (Army, Navy, and Air Force) and the category "Other DoD Organizations." This latter classification includes the following:

Office of the Secretary of Defense (OSD)
Defense Advanced Research Projects Agency
Defense Communications Agency
Joint Tactical Command, Control
and Communications Agency
Defense Contract Audit Agency
Defense Investigative Service
Defense Legal Services Agency
Defense Logistics Agency
Defense Mapping Agency
Defense Nuclear Agency
Defense Security Assistance Agency
Strategic Defense Initiative Organization
American Forces Information Service

Defense Information Services Activity
Defense Medical Support Activity
Defense Technology Security Administration
Department of Defense Dependents Schools
Office of Civilian Health and
Medical Program Office
Office of Economic Adjustment
Washington Headquarters Services
Joint Chiefs of Staff
Inspector General of the
Department of Defense
Uniformed Services University
of the Health Sciences
U.S. Court of Military Appeals

In Section One, the total number of active duty military and direct hire civilian personnel as of September 30, 1987, are presented by state according to Defense component. Included is information on the percentage of each component's personnel located in each state. In Section Two, the active duty military and direct hire civilian personnel are shown for selected cities and installations in each state according to Defense component.

Special attention is directed to the following:

1. In some instances, the Military Departments report personnel by parent installation rather than their operating location. Such variations tend to occur in metropolitan areas where military activities are scattered among many political jurisdictions. In addition, personnel on temporary duty (TDY) on September 30, 1987, may be reported at their assigned locations.
2. Military personnel in each department include a number of personnel in a transient status. These personnel are in a travel, proceed, leave en route, or temporary duty status while on permanent change of station (PCS) orders. The Marine Corps and Air Force report these personnel at their location prior to their new permanent duty location. The Army and Navy include these personnel in one category entitled "Undistributed", which may also include personnel for which an exact location is undetermined.
3. Excluded from the direct hire civilian personnel in this publication are those who are not subject to Office of Management and Budget (OMB) ceiling controls. This includes personnel such as summer aids or employees in the Stay-in-School Federal Junior Fellowship, and Worker-Trainee Opportunity Programs and those covered by other official exemptions granted by OMB. As of September 30, 1987, the Department of Defense employed 10,928 nonceiling civilian employees in the United States.
4. Department of the Army civilian personnel include employees involved in civil functions in the United States. This consisted of 29,618 employees of the Army Corps of Engineers and 133 Army cemetery employees. Also included in this report are the two civil function personnel of the Air Force.
5. Department of the Navy military personnel include those in the military services of the Navy and Marine Corps. The Navy Department military totals consist of shore-based personnel and exclude those personnel who are afloat and temporary shore-based.

Further information on DoD personnel can be found in the WHS/DIOR annual publication *Selected Manpower Statistics* and the quarterly publications *Worldwide Manpower Distribution by Geographical Area*, *Civilian Manpower Statistics*, and *Military Manpower Statistics*.
