**PREFACE**

To assist student researchers in a better understanding of how the United States armed services work together, the US Army War College Library presents JOINTNESS: A SELECTED BIBLIOGRAPHY. "Jointness" is a concept whose momentum has rapidly increased in the past few years. This listing of books, documents and periodical articles covers various aspects of jointness such as interservice cooperation, joint operations, interservice rivalry, and the Organization of the Joint Chiefs of Staff.

The list has been tailored to include only those materials readily available in the USAWC Library collection which have been published since 1982. For your convenience, we have added AWC library call numbers at the end of each book entry (keep in mind that call numbers vary from library to library).

For additional information, please contact the Reference Section, US Army War College Library, AUTOVON 242-3660/Commercial (717) 245-3660.
