RESERVE COMPONENTS COMMON PERSONNEL DATA SYSTEM

This report is produced from each Reserve Components Common Personnel Data System (RCCPDS) submitted under Report Control Symbols (RCS) DD-RA-(M) 1147 and 1148. For more information about RCCPDS, please refer to DoD Instruction 7730.54.

The RCCPDS provides standardized and centralized data base containing personnel information on all members of the Reserve Forces. The system became the official source for Reserve Component strength (in July 1975) and the official source for gains/loss/reenlistment information (in July 1976). The information summarized and displayed in this report reflects the official DoD position and as such it forms the basis for manpower planning, strength accounting and budgeting throughout the Department. Additionally, the information contained herein may be released to individuals and agencies outside the DoD.

NEWS

Corrections have been made on page 3 to reflect correct Military Technician numbers for the USAR. Note (MTECH)* and (AGR + MTECH) rows, columns USAR, DOD TOTAL, and TOTAL. Also note changes in format in page 2 to eliminate rows with obsolete codes and add rows to reflect retirement data. Page 4 will reflect obsolete codes as NA beginning with FY88 data.

The ARNG, USAR, USAFR and ANG are still experiencing problems in correctly reporting Military Technician strength through the automated system; therefore, the correct numbers are manually reported and displayed on pages 2, 3, and 4.

Gains reflected in this report are those accessions that have passed all the necessary gates to be entered into the official data base. Due to reporting and processing time actual accessions may not be reflected on the data base up to 60 or 90 days.

DoDD 1215.6, "Uniform Reserve, Training and Retirement Categories" was signed September 22, 1987, reflecting revised and authorized Reserve Training and Retirement Categories. Table 1 from that Directive can be found in the back of this publication.

New V-6, V-7, and V-8 reports are compiled from a consolidation of Retiree Pay File and RCCPDS data. They display all military retirees, both regular and reserve, by Source of Retirement (from Regular Component or Reserve Component), by Type of Retirement (Non-disability or Disability), and by Mobilization Potential (20+ years Active Service or 20+ years Reserve Service).

Questions, comments, and suggestions concerning the 1147/1148 report, or changes to the distribution list should be addressed to LTC Kelly Robinson, Defense Manpower Data Center, 4th Floor, 1600 Wilson Blvd., Arlington, Va. 22209-2593, telephone (202) 696-5848 or autovon 226-5848.
