FOREWORD

Worldwide Manpower Distribution by Geographical Area is published quarterly and contains summary data on the worldwide distribution of Department of Defense (DoD) active duty military and civilian personnel and their dependents, by country and DoD component.

Section I, titled "Total Military, Civilian, and Dependent Strengths by Regional Area and by Country - Summary", has been added as a summation of all totals provided in the sections which follow it. The active duty military dependent strengths are presented as command sponsored and non command sponsored. To obtain the total active duty military dependent strength figure, the two totals should be combined.

A pie chart has been included in Section II to give a pictorial representation of the total active duty military personnel strength figures.
