SUMMARY

This publication contains an alphabetical listing of serials held by the Aeronautical Research Laboratory Library.

There are 886 titles listed which are all available for interlibrary-loan by photocopy within the provisions of the Copyright Act.

POSTAL ADDRESS: Director, Aeronautical Research Laboratory,
P.O. Box 4331, Melbourne, Victoria, 3001, Australia

INTRODUCTION

This bibliography updates the ARL Library bibliography No. 7 1985 and lists all journal titles held by the ARL Library. The journals are listed by title in a single alphabetical sequence, each entry consisting only of title and library holdings. Further information may be denoted by the symbols:

- continuous holdings between dates specified (missing issues indicated by term imperfect in right hand column).
- + continuous holdings from date specified until present; journals currently received.
- M journal series held in microform as well as paper copy
- S journal series held in Aircraft Systems Division (O.R.G.)
- * journal series held in the Main Library

Titles not marked with an asterisk are held in the Library Annexe.
