Preface

The C-1 is provided annually to the DoD oversight committees of the Congress coincident with the transmission, by the President, of the Budget of the United States Government.

This issue of the C-1 reflects Congressional authorization P.L. 100-456 dated September 29, 1988, and appropriation P.L. 100-447 dated September 27, 1988, for FY 1989. For FY 1988 and FY 1989 the C-1 reflects appropriations "as enacted" and does not reflect transfers of budget authority or unobligated balances.
