The difference between the reported and prior quarter's net claim payments equals the catastrophic net payment made for each patient during the quarter. Executive Summary

This report presents in Appendix A (see pp. A-1-49) the CHAMPUS Catastrophic Quarterly Payment Report for the Third Quarter, Fiscal Year (FY) 1995. For each of thirty-seven HQ Medical Command (HQ MEDCOM) Gateway catchment areas, Privacy Act protected patient cases having CHAMPUS claims totaling more than the catchment area's specific FY 1995 catastrophic cutoff amount are listed with the changes in their net claim payments between the reported and prior quarter. Each Payment Report includes the following for each patient: (1) the patient unique Inpatient Record Number; (2) the last hospital ending date on record; (3) the last hospital and professional services voucher payment dates; (4) an indicator of whether the case involved a consolidation of hospital stays due to FI adjudication action; (5) the DRG and diagnosis codes and their shortened names; (6) number of days spent in the hospital; (7) number of professional services; (8) patient age, sex and beneficiary category; (9) the catastrophic amounts above the site's specified catastrophic cutoff amount on the first and last days of the reported quarter; and (10) the difference of these two catastrophic totals which equals the catastrophic net payment made for each patient during the quarter. Dollar amounts are summed over all patients to total within a catchment area for each Payment Report. Table 1 at the end of this Summary (p. 3) contains the CHAMPUS Catastrophic Quarterly Payment Schedule. It lists the summary totals of each catchment area's number of catastrophic cases and catastrophic totals from the Payment Reports, and sums these amounts over all catchment areas.

Only cases with CHAMPUS claim payment totals exceeding the catchment area's catastrophic cutoff amount are presented. Each cutoff amount is noted in the footnote area on the catchment area's output in its Catastrophic Payment Report (Appendix A, pp. A-1-49) and on the CHAMPUS Catastrophic Payment Schedule (Table 1, p. 3). The specific cutoff amounts used for each of the Gateway sites and the methods used to derive them were reported in the HQ Medical Command Publication Fiscal Year 1995 CHAMPUS Catastrophic Case Limits, Gateway Catchment Areas, RP 95-005, DTIC: Not Yet Known, March 1995. Quarterly catastrophic payment amounts are the differences between the most recent and the prior quarter's CHAMPUS catastrophic claim totals. A negative payment amount represents net recoupment actions/adjustments during the quarter. Second Quarter FY 1995 quarterly catastrophic payment amounts for the Gateway sites were reported in the HQ Medical Command Publication CHAMPUS Catastrophic Payments For The Second Quarter, Fiscal Year 1995, Gateway Catchment Areas, RP 95-007, DTIC: Not Yet Known, May 1995.

Finding the status of any catastrophic patient case from quarter to quarter is accomplished by comparing the Inpatient Record Numbers (INPT RCD #) from previous quarterly reports with

those on the current Catastrophic Payment Report (Appendix A). If the Inpatient Record Number is on both the previous report and the current one, the catastrophic patient had positive or negative net claims in at least one of the quarters and is a continuing catastrophic case. Otherwise, a catastrophic case can appear to be newly added or dropped when compared with a previous report depending on whether a case surpasses or drops below the catastrophic cutoff amount for that catchment area, or whether or not claim payment activity took place during the reporting quarter. An example which examines catastrophic case quarter to quarter activity is presented in the Summary of the Third Quarter FY 1993 Catastrophic Payments publication (see Health Services Command Publication CHAMPUS Catastrophic Payments For The Third Quarter, Fiscal Year 1993, Gateway Catchment Areas, RP 93-017, DTIC: AD A268 644, July 1993).

Table 1 at the end of this Summary (p. 3) contains the Third Quarter FY 1995 CHAMPUS Catastrophic Quarterly Payment Schedule and lists the summary totals of each catchment area's number of catastrophic cases and catastrophic totals from the Payment Reports for the quarter. Additionally, each site's FY 1995 cutoff amount is listed. Table 1 shows that CHAMPUS catastrophic re-insurance payments for the Third Quarter had four catchment areas with the quarterly catastrophic payment low of \$0, indicating no change in costs between the two quarters for any catastrophic patients at these catchment areas. The four sites, Fort Benjamin Harrison MEDDAC, Letterman ACHC, Fort Sill MEDDAC and West Point MEDDAC, have respective catastrophic cutoff amounts of \$197,000, \$56,500, \$232,500 and \$137,000. At the high end of the range, Fort Carson MEDDAC with a \$66,000 cutoff amount had twenty-six cases on its Payment Report and catastrophic re-insurance payments of \$489,388, while Fitzsimons AMC had \$449,565 in payments and three patient cases with its \$178,500 case limit. Quarterly catastrophic payments for the Third Quarter FY 1995 totaled to \$5,636,117 over all Gateway sites and included care for a total of 446 catastrophic patients.
