**Mission Impact:** The preceding schedule was developed to minimize the impact on Air Force mission capability while placing priority on closing or realigning the bases as recommended by the 1993 Base Closure Commission and directed by the Defense Base Closure and Realignment Act, P.L. 101-510. It is the Air Force's objective to close and realign the bases as recommended at the earliest opportunity to take advantage of savings provided by reductions to Air Force end strength, reductions to base operating support costs, and where applicable, proceeds from sale of real property at closure bases.

**Environmental Considerations:** By the end of FY 2000, three BRAC 93 installations will have the last remedial actions installed in accordance with the Comprehensive Environmental Response Compensation and Liability Act (CERCLA). These actions (which include landfill closures, groundwater treatments, bioventing, air sparging, underground storage tank removals and free product removal) comply with the requirements of CERCLA 120(h)(3) which governs deed transfers of property, and protects human health and the environment. Three installations, March AFB, CA, Plattsburgh AFB, NY and Newark AFB, OH will continue with long term monitoring and operation activities associated with previous cleanup actions. In addition, by FY 2000 it is anticipated two National Priority List (NPL) installations (March AFB, CA and Homestead AFB, FL) will have all remedies in place and operational and be positioned for de-listing. There are currently 19,752 acres to be transferred at BRAC 93 installations, 10,151 of those are now environmentally ready for transfer. Through interim leases and deed transfers, 5,662 acres are now in reuse. Completion of the environmental actions are crucial for the reuse and economic development of the affected communities.

**Other:** Beginning in FY 1998, funding requirements for continuing actions at BRAC 88/91 bases are included in BRAC 93 as an add to the BRAC 93 program.

The savings associated with these closure actions are for display purposes only and will accrue in other Air Force accounts. The funding profiles associated with the schedule have been programmed to accomplish this objective.
