

PREFACE

This selected bibliography lists references for readings related to U.S. Department of Defense transformation. Significant works on the U.S. intelligence community transformation and foreign defense transformation have also been added.

With the exception of some important older titles, all of the works listed are dated from 2003 to the present. For earlier works please see *Transformation: A Selected Bibliography* (July 2004), compiled by Jacqueline S. Bey. All items listed in this bibliography are available through the USAWC Library. For your convenience, at the end of the entries, library call numbers, URLs, or database links were added. Web sites were accessed as of April 2007.

This bibliography and others, compiled by our research librarians, are available online through the Library's home page <http://www.carlisle.army.mil/library/bibliographies.htm>.

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library by sending an e-mail message to libraryr@carlisle.army.mil, or by phoning DSN 242-4260 or Commercial (717) 245-4260.

Mark R. Costa, compiler

Report Documentation Page				Form Approved OMB No. 0704-0188		
Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.
