The DISA Strategy

How do we enable
warfighters at
Internet speed?

We will increase
the delivery speed
of capabilities and
services

The Five Foundations

- **Sharing and defense of information** – enable sharing of information while staunchly protecting it
- **Speed** – deliver IT capabilities and services faster
- **Power to the edge** – extend enterprise services to the edge
- **Operational excellence** – accelerate operational effectiveness and efficiency
- **Financial transparency** – customers know and understand the value and costs of DISA capabilities and services
