CBITEC linkage with Contingency Basing

CBITEC allows industry the ability to assess/evaluate their process or technology through an operational application in a military environment.

CBITEC facilitates industry interaction with military contingency basing leadership.

CBITEC provides the Joint Force the ability to gain knowledge on new technologies, and how they can apply to base camp challenges.

CBITEC – Taking Contingency Basing to the next level !

- ✓ in physical space available to assess new technologies and processes
- ✓ in the number and size of evaluation participants and structures
- ✓ in the integration of the new technologies and processes
- ✓ by comprehensively looking at how all new and existing technologies integrate holistically and impact the Soldier
- ✓ by putting technologies into Soldier's hands early

✓ by enhancing the ability to anticipate future Contingency Base and Integrated Base Defense needs and transitioning to Programs of Record

✓ by facilitating moving directly from test/evaluation to requirements definitions for the Joint/Army investment
