Logon page

The screenshot shows a web browser window displaying the HCAT logon page. The page has a left-hand navigation menu and a main content area. A teal callout bubble points to the 'HCAT' link in the 'Hard Chrome Alternatives Team' section, with the text 'Click here for HCAT files'. Another teal callout bubble points to the 'ESTCP Electrospark Deposition for Repair' link in the 'Repair Methods' section, with the text 'Click here for ESD files'. A large orange arrow points from the left menu towards the right side of the page. The right side contains bold blue text instructions: 'Select the project you want to see from the left frame.', 'The links will take you to the eProject.com site, where you can navigate the individual projects or switch between them.', and 'For user name and password contact klegg@rowantechology.com'. At the bottom of the page, there are several navigation links: [Home], [About HCAT], [Aircraft Systems], [Publications and Presentations], [Other Sites], [Contact HCAT], and [Workspace]. The browser's address bar and search tools are visible at the top.

case!!

However....

- Of course, having gone through all that eProject just changed the URL!
 - But it will still be available from www.hcat.org
 - We will change links as necessary
- Later this year eProject will upgrade to ver 5.0
 - Will change look of login
 - We will put instructions on hcat.org site to show how to log in
- Frequent users have their own password, which go with their e-mail addresses

Adding a new document

The screenshot shows the HCAT Project Enterprise web interface. The left sidebar contains navigation icons for Project Home, Reports, Project Directory, Calendar, Tasks, Issues, Documents, Discussions, News, and Bookmarks. The main content area is titled "Hard Chrome Alternatives (HCAT) Project Enterprise™". Below the title are navigation links: Admin | Executive | My Projects | Help | Log Out. A search bar is present with a "Go" button and an "Advanced..." link. The main content is divided into two sections: "Folders" and "Documents (Environmental and medical issues) 1 - 3 of 3".

Open folder: A callout bubble points to the "Environmental and medical issues" folder in the Folders list.

Find file: A callout bubble points to the "Lung Cancer-Chromium Chemical Workers-Gibb-corrected.pdf" file in the Documents table.

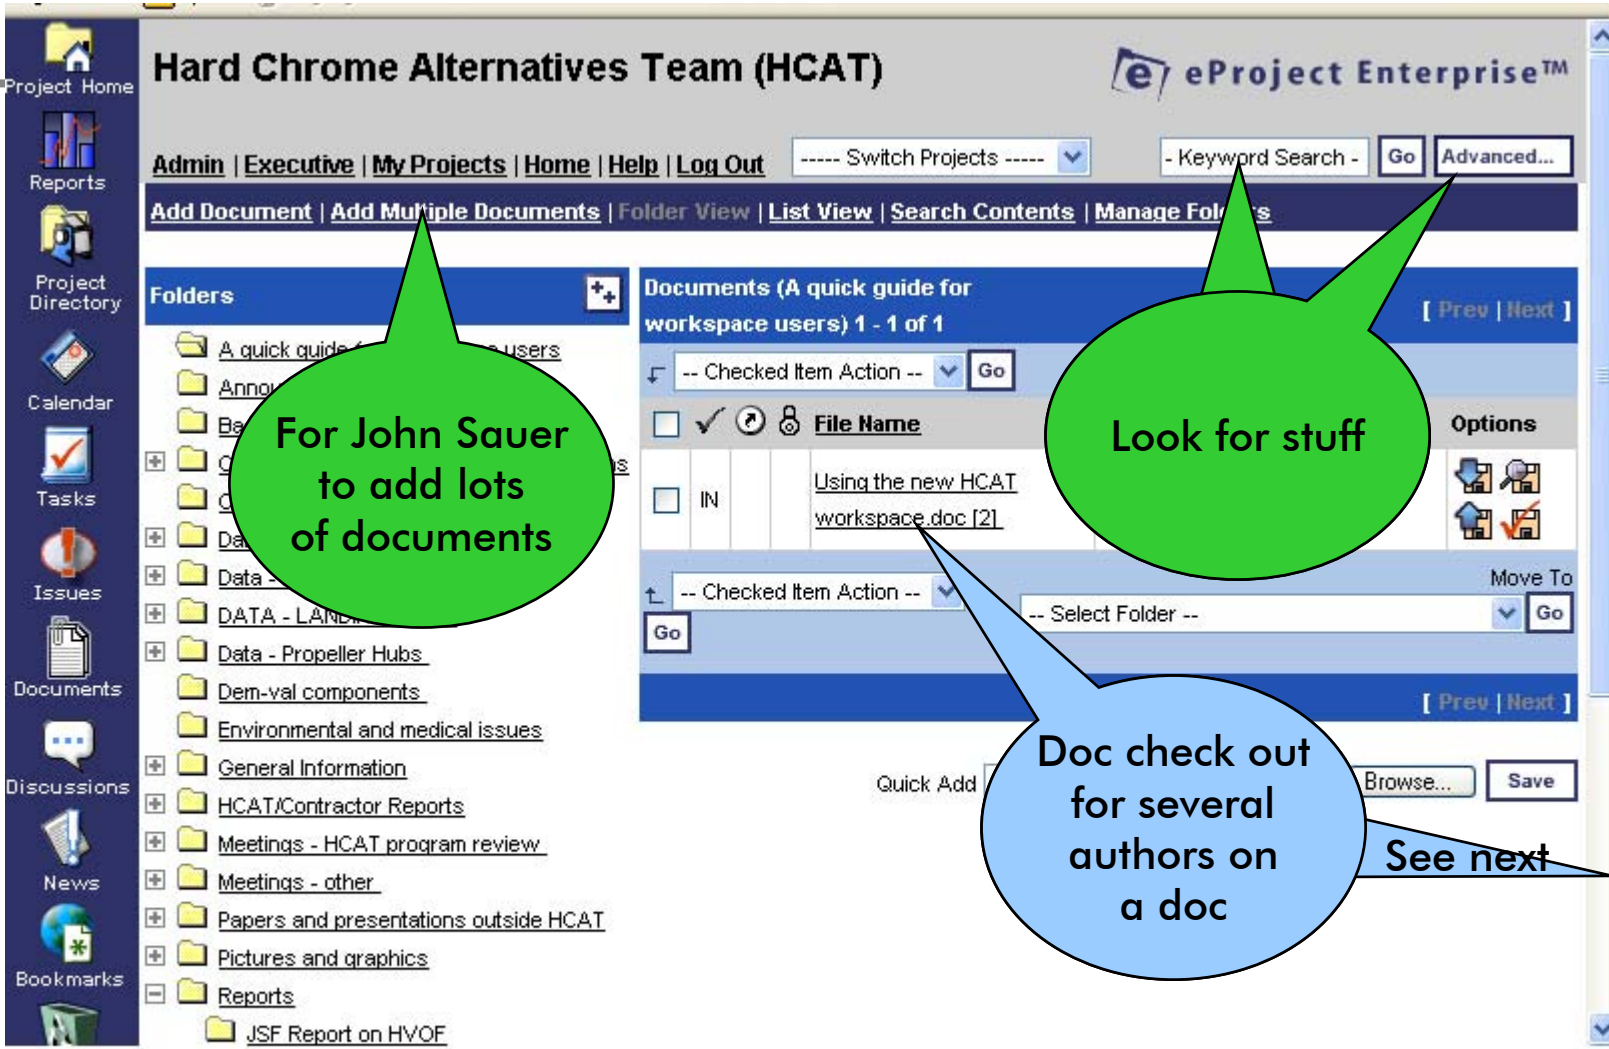

Click!: A callout bubble points to the "Browse..." button in the Quick Add section at the bottom right.

Documents Table:

	File Name	Type	Size	Uploaded On	Options
<input type="checkbox"/>	Lung Cancer-Chromium Chemical Workers-Gibb-corrected.pdf	pdf	390KB	Jun 20, 2001 02:46 PM
